Hyderabad Sindh Pakistan

DEVELOPER

Passionate React.js Developer with a proven track record of crafting dynamic and user-centric web applications. Proficient in building responsive, modern interfaces that enhance user experience. Experienced in collaborating with multidisciplinary teams to deliver high-quality solutions. Adept at utilizing the latest React.js libraries and tools to create efficient and scalable front-end applications. Committed to staying at the forefront of emerging technologies and trends. Excited to contribute technical expertise and creativity to deliver innovative and visually compelling digital experiences

PROJECTS

Rock Paper Scissors game

Developed an interactive Rock, Paper, Scissors game! Players choose their move—rock, paper, or scissors—against a computer opponent. The game swiftly determines the winner based on classic rules. Simple, fun, and a quick way to enjoy a classic game of chance
